## How the program works

---

Once your healthcare provider has prescribed you *EGRIFTA SV*®, call THERA patient support® at 1-833-23-THERA/1-833-238-4372 and make sure you are enrolled in the THERA patient support® program.

---

A THERA Patient Care Coordinator will provide a welcome call. In that welcome call, you will be offered a free sharps container and resource kit to help you get started.

---

The THERA Patient Care Coordinator will coordinate with specialty pharmacies in your insurance network and, if eligible, will apply co-pay assistance so you can quickly receive your medication, delivered straight to your door.

---

Once the THERA Patient Care Coordinator has confirmed your coverage and medication delivery, a THERA Nurse Navigator will follow up to welcome you into the program and schedule your reconstitution and injection training to get you started on *EGRIFTA SV*®.

---

Patient confidentiality is important to us. All patient information will remain confidential. Information may be provided to your healthcare provider and specialty pharmacies when required to complete the enrollment process and coordinate patient assistance.

Call your doctor for medical advice about side effects. You may report side effects to the FDA at 1-800-FDA-1088 or to THERA patient support® toll-free at 1-833-23-THERA (1-833-238-4372).
